

Letter for Participating in Interschool Science Model Competition

Dear Principal Sir/Ma'am ,

We are pleased to invite your school to participate in the Interschool Science Model Competition on 21st September in Jalgaon. This event offers a platform for your students to showcase their scientific innovations and compete with peers from across the region. We look forward to your school's participation.

Date of Event : **21st September**

Venue: **at A.T. Zambre Secondary School, M. J. College Campus, Bahinai Vidyangan Jalgaon, Run by Khandesh College Education Society college**

Objective:

The Dr. Homibhabha Foundation aims to nurture scientific creativity and practical knowledge among students. This interschool science model competition will serve as a platform for young minds to showcase their innovative ideas and compete with peers across the region.

Participants:

All schools in Jalgaon are invited to participate. Each school is requested to submit one/two science model for each of the following classes:

7th Standard

8th Standard

9th Standard

10th Standard

Guidelines for Participation:

- Each school is invited to submit one innovative and practical science model from each class (7th to 10th standards).
- The models should demonstrate practical applications of scientific principles.
- Schools must register their participation by the specified registration deadline.
- Models will be judged based on innovation, practicality, presentation, and understanding of scientific concepts.
- A science model can be an individual entry or a team entry consisting of up to 4 students, along with a guardian teacher.
- Participants are requested to carry water bottles and Tiffin box with them

+91-9373557555

Awards:

- Cash Prizes, Trophies and Certificates will be awarded to the most innovative models. All participants will receive certificates of participation.

Schedule:

Model Setup: 9:00 AM - 10:00 AM

Inauguration: 10:00 AM - 10:30 AM

Model Display and Judging: 10:30 AM - 1:00 PM

Announcement of Winners and Award Ceremony: 3:00 PM - 4:00 PM

Open House for Students and Parents to Visit: 11:00 AM - 4:00 PM

Closing Ceremony: 3:30 PM - 4:00 PM

Choose one of the Suggested Science Topics for Model Making:

- Renewable Energy Sources: Models demonstrating solar, wind, and hydro energy.
- Water Purification Systems: Innovative methods for purifying water.
- Smart Agriculture: Using technology to enhance farming practices, including hydroponics—soil-less farming techniques and their benefits.
- Robotics: Simple robots performing specific tasks.
- Waste Management: Solutions for reducing and recycling waste.
- Greenhouse Effect: Understanding and mitigating the greenhouse effect.
- Human Anatomy: Detailed models of human organs and systems.
- Environmental Conservation: Projects focused on protecting and conserving the environment.
- Astronomy: Models of the solar system, telescopes, or space exploration.
- Artificial Intelligence: Simple AI applications and their uses.
