

MSAT (Mathematics and Science Ability Test) 2024 Schedule Plan Announcement

Dr. Homibhabha Foundation is dedicated to the advancement of education and the practical application of knowledge through various initiatives, including workshops and competitive examinations. Our foundation has been actively engaged in fostering an enriched learning environment for students across diverse districts.

We are delighted to unveil our upcoming competitive examination series, the MSAT (Mathematics and Science Ability Test), tailored for students ranging from the 7th to the 10th standard. These examinations have been meticulously crafted to evaluate and elevate the learning aptitude and cognitive prowess of students, offering them a robust platform to demonstrate their competencies and vie at a national level.

Here is the comprehensive schedule plan for the MSAT/GREAT Exam 2024:
